MUZRAI

Mur 224-25-1

Interpellations by Sri.Nilagiri Sanjiva Rao

---

13. — I. Will the Government be pleased to state:—

(a) whether the Rupakari (Government Order No.672 of 23-3-1961) defining the duties and functions of the servants of Sri Ranganathaswamy temple attached to Seringapatam has been superseded. Either by introducing the Muzrai Regulation No. IV of 1913 and the Muzrai Rules thereon or by sanctioning the revised schedule of expenditure in G.O.No.639-41 Mur.379-21-2 dated 9.8.1923.

(b) If the said Rupakari has been superseded, what the duties and powers of the Seshkar of the Scheduled Institutions in the State are and where they are to be defined

(c) If the said Rupakari is still in force as the Seshkar of Sri Ranganathaswamy temple that is has been divested of all the powers of supervision over the other Muzrai Institutions of the area as defined in the Muzrai Rules and under what authority the orders have been issued contrary to the Rules.

(d) whether the Government are aware of the complaints of the Muzrai Institutions of Srirangam after divesting the supervising powers of the Seshkar and the inconveniences caused to the devotees and their relatives.

(e) whether the Government are aware that the citizens of Seringapatam and suburbs tendered representation and presented an application to the Deputy Commissioner, Mysore District, drawing his attention to the conditions of the temples and other matters and what action has been taken by the Deputy Commissioner

(f) whether the Government will be pleased to revoke orders to delegate the powers as defined in Rupakari (G.O. No.672 of 23-3-1961) so as to enable the Institutions more useful to the public under proper supervision.

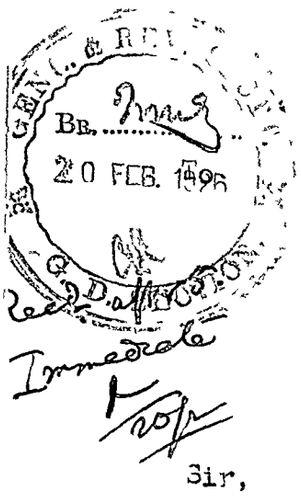
No. 966
25-26

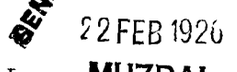
Office of the Muzrai Commissioner in Mysore.

Dated Bangalore, 20th February 1926.

Encl. 1

From





B. Ramaswamaiya, Esq., B.A., B.L.,

Muzrai Commissioner in Mysore, 0.955-

Bangalore. 224-25-19

B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

With reference to your letter No.1026/M.F.224-25-8 dated 10th Instant, sending a copy of interpellation No.13 by Mr. N.G. Sanjeeviah, I have the honor to forward herewith a memo giving the information therein required in respect of the supervision of the temples and chattram at Seringapatam by the Peshkar of the Sri Ranganathaswami temple at the place.

2. In this connection, I wish to state that at a meeting held on 27th September 1924, the Dharmadarsis passed a resolution protesting against the orders passed by the Amildar divesting the Peshkar from supervising the working of the Sri Gangadhareswaraswami and other temples and declining to check and pass the ----- పట్టిస పట్టిస patties so long as the orders were not revoked. A copy of the proceedings together with the Amildar's remarks having been received in this office, it was pointed out to the Deputy Commissioner that the Peshkar of the temple should not have been divested of the management of the other temples without previously obtaining theorders of higher officers. He was requested to record his remarks on the several points urged in the proceedings and submit the same with connected records for further orders. In a communication received to-day the Deputy Commissioner states that this matter came to his notice after he took charge of

the District, that needful enquiries have been made and that a detailed report about this and other connected matters will be submitted before the 15th March 1926. The papers will be ---- examined as soon as they are received and necessary orders ---- passed.

I have the honor to be,

Sir,

Your most obedient servant

Muzrai Commissioner.

Interpellation by Mr. N.G.Sanjiviah.

No.13.

Will the Government be pleased to state

(a) Whether the Rubkari (No.672 -- dated 23-3-1901) defining the -- duties and functions of the ---- servants of the Sri Ranganatha-swami temple - a scheduled ---- institution at Seringapatam has been superceded either by introducing the Muzrai Reg.No.IV of 1913 and the Muzrai Manual thereon or by sanctioning the revised -- scale of expenditure in Government Order No.639-41/M.F.379-21-2 dated 9th August 1922.

The answer is in the negative.

(b) If the said Rubkari has been -- superceded, what duties and powers of the Peshkars of the scheduled -- institutions in the State are and where they have been defined.

vide answer above.

(c) If the said Rubkari is still in force how the Peshkar of the Sri -- Ranganathaswami temple at Seringapatam has been divested of all the powers of the supervision over the other major Institutions of the place as defined in the Rubkari and under whose ----- instructions the orders have been issued contrary to the Rubkari?

On complaints made against the Peshkar of the Sri Ranganatha swami temple, the Amildar of -- Seringapatam Taluk relieved the Peshkar of the supervision and charge over the Sri Gangadhareswara swami and some other institutions at the place. The matter is being enquired into by the Deputy Commissioner under the orders of the ---- Muzrai Commissioner. Meanwhile ---- the Peshkar has been relieved of his charge of Sri Ranganathaswami

Ranganathaswami temple also by the Commissioner pending final orders.]

(d) Whether the Government are aware of the conditions of the Muzrai Institutions and chattrams after devesting the Peshkar of the powers of supervision and the inconveniences that are being caused to the devotees and their feelings.

(d) Govt are not aware that by divesting the powers of supervision from the Peshkar some of the institutions are not satisfactory and that any inconvenience is caused to the general body of devotees.

(e) Whether the Government are aware that the citizens of Seringapatam and suburbs headed by a deputation presented an application to the Deputy Commissioner, Mysore District, bringing to his notice the conditions of the temples and chattrams and what action has been taken by the Deputy Commissioner.

(e) Govt understand that the matter was enquired into by the Deputy Commissioner on more than one occasion, and that the application was by a faction backing up the Peshkar whose conduct is under enquiry.

(f) Whether the Government will be pleased to issue orders to delegate the powers as defined in Rubkari (No.772 dated 28-3-01) so as to make the Institutions more useful to the public under proper management.

(f) Govt have not received any representation in the matter. The matter cannot properly be considered until a proposal is received from the Muzrai Commissioner.

Vide answer under (e).

K Ramachandra Rao

Muzrai Commissioner.

22/2

Government of His Highness the Maharaja of Mysore.

GENERAL AND REVENUE DEPARTMENTS.

Order No. 639 41—Muz. 379-21-2, dated 9th August 1922.

Sri. Ranganathaswami temple at Seringapatam.

Sanctions a revised scale of expenditure in ——

READ—

Note dated 30th November 1921, from the Muzrai Superintendent in Mysore, submitting for sanction, proposals for a revised scale of expenditure in the Sri Ranganathaswami temple at Seringapatam and its Suttalgudis, and stating that the proposals were drawn up by him in consultation with the local officers and the Dharmadarsis of the Institution and that the Deputy Commissioner, Mysore District, who was also consulted in the matter, states that the proposals are suitable and may be sanctioned, and that the two slight modifications suggested by him as regards the allotment for Ekadasi Katle and the Puduvat Seva of Mr. Rama Iyer have been adopted:—

"The temple of Sri Ranganathaswamy at Seringapatam is one of the oldest Vishnu temples of the State, and a place of pilgrimage for the Sri Vaishnavas. A number of minor temples with independent cash grants for Paditara and Deeparadhane are situated within the premises of the temple. These have been clubbed together with the main temple and treated as subsidiary institutions for convenience of administration.

The temple of Sri Ranganathaswamy gets an annual cash grant of Rs. 7,852-8 0 interest of Rs. 148-0-0 on the invested surplus of Rs 4,228-14-8 and a small income of about Rs. 180 from other sources. The minor temples have a total cash-grants of Rs. 327-13-0. There are, besides, Puduvat cash and land endowents to the temple for stipulated sevas which yield an annual income of Rs. 894%. An annual contribution of Rs. 534 is also received from the Government Annachattram for the Ramanujakuta feeding of Sri Vaishnava pilgrims in the temple. The temple and its Suttalgudis have thus a total income of Rs 9,936.

Establishment.—The total establishment charges as per proposed scale are Rs. 415 per mensem which is Rs. 22-11-10 more than the existing scale of Rs. 392-4-2, the increase being mainly due to the slight increments proposed to be given to the office establishment and also the Non-Brahmin members of the staff.

Though the existing scale includes 100 separate offices, the number of servants actually working is only 60. This is accounted for by the fact that some of them hold more than one appointment notwithstanding that in a few of these cases, the combination is undesirable, such as, two Adige offices and the offices of Adige and Sthanik held by the same man. By a redistribution and judicious combination of some of these services the number of servants has been reduced from 100 to 71, with a corresponding increase in the average emoluments.

Archaks.—The existing scale provides for 4 archaks and all these offices are retained for the present though there is work only for three of them. One of them may eventually be transferred to Melkote where an additional Archak is badly wanted The archana of Suttalgudis is added on to these and a slight increment of pay proposed to them.

Paricharaks.—Out of the 5 Paricharaks, the duties of the two minor Paricharaks for Alwar Sannidhi and a few Suttal Gudis are added on to those of the other Paricharaks and Sthaniks. The Yagasala Paricharak is retained for Aramane services in both the Sannidhis and for relieving the Swami Sannidhi Paricharak whenever necessary, and to keep the temple open at all hours of the day for the convenience of pilgrim visitors.

Sthaniks.—Though practically two Sthaniks only are available for service, the 4 in the existing scale are retained in consideration of the facts that the temple is big and the Utsava-Vigrahas are very heavy. These servants will have to attend to the duties of the Paricharaks of some of the Bidagudis as they have been doing hitherto. Competent hands from outside will be selected for the vacant places.

No. 639-41—Muz. 379-21-2, dated 9th August 1922

Adhyapakas.—Though there are 19 hands for this service, scarcely 3 or 4 are available for work. The small allowance which most of these were getting are at present being enjoyed by Adige and Paricharake servants which is highly objectionable. It is necessary to have 3 for Vedas, 3 for Prabandha and 4 for Stotras. To attract competent men, it is proposed to give one of them who will also be a Vedic teacher Rs 6 and the others an average emolument of Rs. 3-12-0

Sripadas.—At least 12 men are required for this service and they should generally be Brahmins. It is proposed to have only 5 full-time servants and to take on such duties to seven other temple servants, without prejudice to their other duties.

Miscellaneous.—All the duties except Vine, Purohita, Yagnopavita, Gambarati, and Flowers and Tulasi are proposed to be added to other services.

Manegar.—The existing scale has not provided for any Manegar in the temple to work under the Pirpathegar, for helping him in the supervision and controlling work. The vacant offices of Agrodaka Maniya and Adigemane Addiga together with 2 Bellikolu Ulagas with a total emolument of Rs 15 are proposed to be replaced by two Manegars on Rs. 6 each as this is likely to lead to increased efficiency in the work of the temple servants.

Non-Brahmin Servants —The number of non-Brahmin servants in the existing scale is 28 and it is proposed to reduce it to 24, the 4 services of Mashal and Divatige having been added on to the 2 Kavals, Bandikar and Landra. The pay of these servants is proposed to be enhanced each of them will get on an average from Rs. 4-11-0 to Rs. 6-8-0 per mensem. The pay of the other non-Brahmin servants has also been suitably increased.

Nityakatle —The contribution for the Government Annachattram for Ramanujakuta feeding has been brought under this item under the head Alankara Nivedana and the provision of Rs. 6-8-0 for a second course of Pongal in the existing scale is proposed to be dispensed with. As there is Ramanujakuta feeding daily in the temple, the separate provision of Dadhyodana for Desantris in the mornings and in the evenings is reduced slightly in the draft scale

To provide for the Paditara and Deeparadhane of Bidagudis which are clubbed with the main temple, a slightly increased provision is made for Suddhanna Nivedana and oils. There is no material change under the other heads. Deducting the provision of Rs.. 420 for Ramanujakuta feeding and Rs. 2 for Vedantachar and Jeer Masa Tirunakshtras, the net increase under Nityakatle comes to Rs. 117-4-0 per annum. The provision of Re. 1 a month for Vedantacharya's Masa Tirunakshtras has been made as per Government Order No. 2292-94—M. F. 500-12-16, dated 12th February 1919, and a similar provision of Re. 1 for the Jeer Tirunakshtra is proposed with a view to avoid quarrels between the 2 sects of Sri Vaishnavas.

Hetchukatte.—The provision in the proposed scale for the Hetchukatle of the temple and the Bidugudis amounts to Rs 1,068 which is Rs. 65-8-4 less than the provision in the existing scale. The decrease is due mostly to the reduction in the quantity of provisions for certain items for which there are separate Puduvat endowments and partly to the transfer of the provisions under Istkapal on His Highnesses' visit and petty repairs, to contingent charges

Puduvat sevas.—There are Puduvat cash endowments to the extent of Rs 3,208-8-0 and land endowments with an annual yield of about Rs. 674 for certain stipulated sevas. Some of these sevas are not being performed regularly, there being no representative of the original donors, and the income is added on to capital and in some other cases expenses are not incurred according to a definite scale. A fixed scale of expenditure for these sevas, has therefore been prepared and this results in a saving of Rs. 265 per annum

The total expenditure according the proposed scale is Rs. 9,581 as against Rs. 9,585 of the existing scale. This leaves a small balance of only Rs. 355 for repairs and other items of expenditure which is hardly sufficient for the purpose.

The balance at the credit of the Institution at the close of June 1920, consisted as per Comptroller's accounts of (1) Rs. 716-14-7 uninvested and (2) Rs. 4,228-14-8 invested. An estimate amounting to Rs 4,000 for repairs urgently needed for the temple is pending disposal for want of funds. The wihdrawal of the invested surplus for this purpose would mean the reduction of the income of the temple by Rs. 148. This temple may therefore be treated as an exceptional case and exempted from the payment of the usual percentage for the establishment fund"

No. 639-41—Muz. 379-21-2, dated 9th August 1922

Government do not consider it feasible to exempt this institution from the payment of contribution towards the Muzrai Establishment Fund. They are therefore pleased to direct tha the usual contribution be levied. Arrangements for additional income being made by a revision of the rates for Sevarthas, in regard to which the proposals of the Muzrai Superintendent will be awaited.

2. Government consider that in all other respects, his proposals are suitable and are pleased to accord sanction to the same.

T. E. JEYARAMA AIYAR,
Secretary to Govt., Revenue Dept.

To—The Muzrai Superintedent in Mysore, returning the file of vernacular papers.
The Deputy Commissioner, Mysore District.
The Comptroller to Government.

No. 13.

INTERPELLATION BY Mr. N.G. SANJIVIAH.

Interpellation	Reply.
Will the Government be pleased to state:	
(a) Whether the Rupkari (No. 672 dated 23-3-1901) defining the duties and functions of the servants of the Sri Ranganathaswami temple - a scheduled institution at Seringapatam has been superseded either by introducing the Muzrai Reg. No. IV of 1913 and the Muzrai Manual thereon or by sanctioning the revised scale of expenditure in G.O. No.639-41/M.F.379-21-2 dated 9th Aug. 1922.	The answer is in the negative.
(b) If the said Rupkari has been superseded, what duties and powers of the Peshkars of the scheduled institutions in the State are and where they have been defined.	This does not arise in view of answer to (a)
(c) If the said Rupkari is still in force how the Peshkar of the Sri Ranganatha Swami temple at Seringapatam has been divested of all the powers of the supervision over the other major institutions of the place as defined in the Rupkari and under whose instructions the orders have been issued contrary to the Rupkari?	Government understand that on complaints made against the Peshkar of the Sri Ranganatha Swami temple, the Amildar of Seringapatam Taluk relieved the Peshkar of the supervision and charge over the Sri Gangadhareswaraswami temple and some other institutions at the place, and that the matter is being enquired into by the Deputy Commissioner under the orders of the Muzrai Commissioner.
(d) Whether the Government are aware of the conditions of the Muzrai Institutions and chattrams after divesting the Peshkar of the powers of supervision and the inconveniences that are being caused to the devotees and their feelings.	Government are not aware that by divesting the peshkar of the powers of control over some of the institutions any inconvenience has been caused to the general body of devotees.
(e) Whether the Government are aware that the citizens of Seringapatam and suburbs headed by a deputation presented an application to the Deputy Commissioner, Mysore District, bringing to his notice the conditions of the temples and chattrams and what action has been taken by the Deputy Commissioner.	Government understand that a representation was made to the Deputy Commissioner by a faction interested in the Peshkar and that the matter is under enquiry.
(f) Whether the Government will be pleased to issue orders to delegate the powers as defined in Rupkari (No. 772 dated 28-3-1901) so as to make the institutions more useful to the Public under proper management.	Government cannot possibly say now what orders will be passed by them on the report that may be received from the Muzrai Commissioner.
